Tailor-made 4-way pallet

- Space optimisation
- Single-material packaging solution
- 100 % carton board
- Simple assembly
- Accepted anywhere in the world without treatment or restrictions.

Sustainable packaging is your contribution to the environment

EdgeRunner

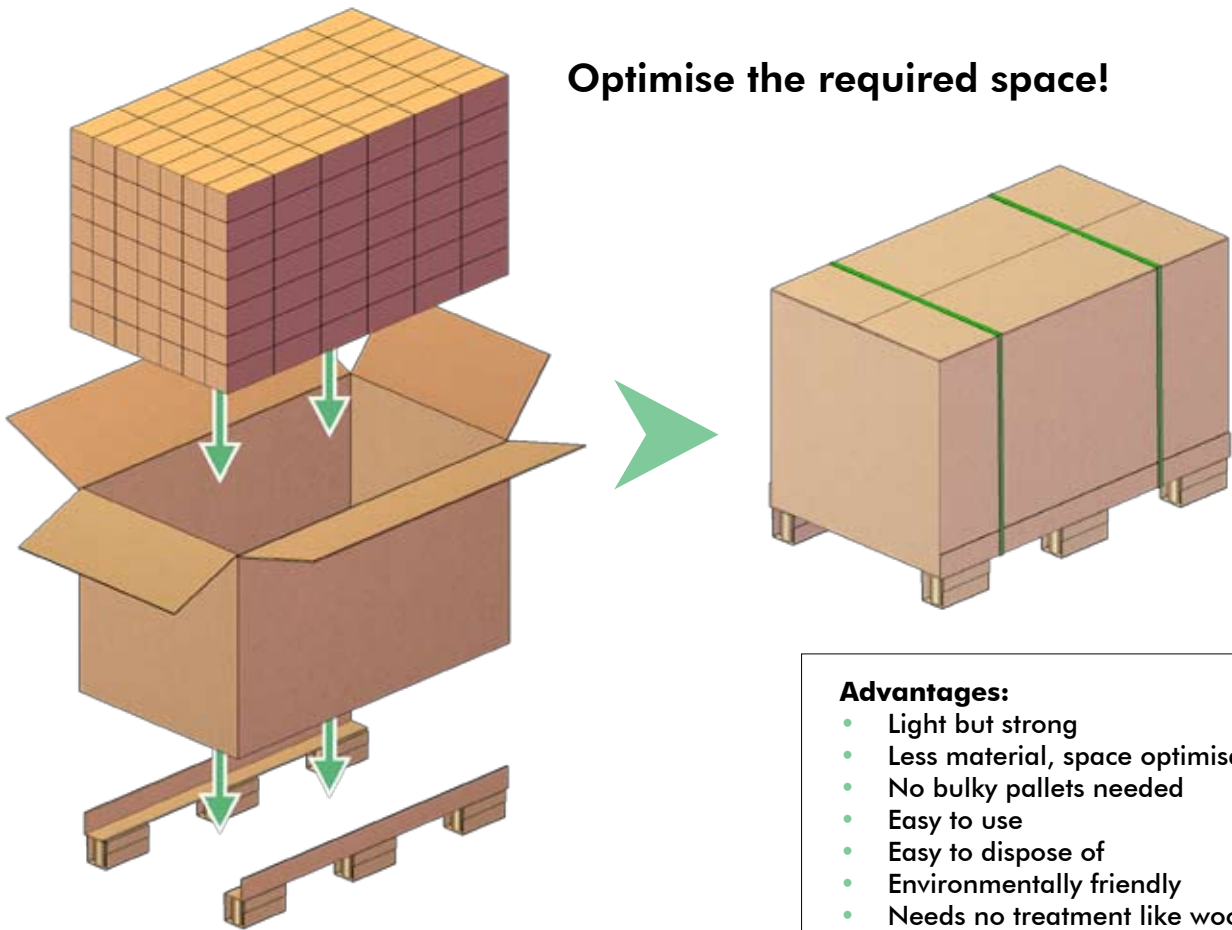

Tailor-made 4-way pallet

Eltete EdgeRunner is a combination of **PallRun**®'s and bio-quality edgeboards.

Eltete PallRun® is made out of compact carton board (U-profiles) and stabilisation elements (cores). The U-profile is reinforced by wet-strengthened kraftliner giving high protection against humidity.

Optimise the required space!

Advantages:

- Light but strong
- Less material, space optimisation
- No bulky pallets needed
- Easy to use
- Easy to dispose of
- Environmentally friendly
- Needs no treatment like wood
- Gives good company image

Savings in:

- Warehousing
- Material costs
- Recycling costs
- Transport costs

EdgeRunner is suitable for a variety of applications.

Use it with:

- Corrugated boxes
- Shop displays
- Other tailor-made applications

Eltete TPM Ltd (Transport Packaging Materials) is a global carton board refiner, an ISO-certified supplier of 100% recyclable transport packaging material and a machine producer. With experience since 1974, we are experts on the needs of today's market.
